OUR STRENGTH :  
INSPIRATION  
RELIABILITY  
COMMITMENT

---

**70**  
**YEARS OF**  
**EXPERIENCE**

Polyrey is a brand of the Wilsonart Group, world leader in decorative surfaces.

Recognised for our expertise and over 70 years of French know-how, our values are focused on the quality and performance of our products and their contribution to your future projects.

We surround ourselves with experts to create decorative offers that are as close as possible to current and future trends, and to develop technical and innovative products. Our customers recommend our products for their quality and technical reliability. To ensure the quality of our products throughout their life cycle, and to offer you high-performance services, we put our know-how at your disposal.

Our teams also put this experience to good use, working to reduce our environmental impact and develop a socially responsible approach.

OUR ENVIRONMENTALLY RESPONSIBLE APPROACH

20%

Recycled kraft paper in our HPL

85%

Renewable materials in our melamine panels and bonded boards

At the heart of our Sustainable Development approach, we have implemented an active policy to reduce the impact of our activities on the environment. This policy focuses on energy conservation, waste reduction, preservation of natural resources, air protection and product durability. We strive to reduce our environmental footprint at every stage of the manufacturing process and product life cycle.

OUR APPROACH TO SOCIAL POLICY

We are a company operating in a complex ecosystem that we are committed to developing every day. Diversity & Inclusion within our company, Career development, Employee well-being, Health & Safety, Contribution to local development and associations, Ethics and code of conduct are all part of our daily commitment to continuous improvement!

## OUR SERVICE COMMITMENTS

Manufacturer of decorative laminates & melamine panels

### EFFICIENT LEAD TIMES

We stock over 350,000 panels and ensure weekly deliveries from our French factories.

### AN EFFICIENT SALES NETWORK

Our products are widely stocked for optimum coverage.

### DEDICATED TEAMS TO SUPPORT YOU

Polyrey is your facilitating partner: we offer personalised support to all players in the building industry.

### YOUR MADE-TO-MEASURE SUPPORT

At every stage of your projects, we are at your side to ensure success and save you time. Renowned for our product expertise, we are also committed to the excellence of our service quality. At the heart of our service commitments: your customised support. The Polyrey teams are entirely at your disposal to meet your needs.

« Polyrey does its utmost to ensure a quality of service that matches your ambitions. »

# +20 SERVICES

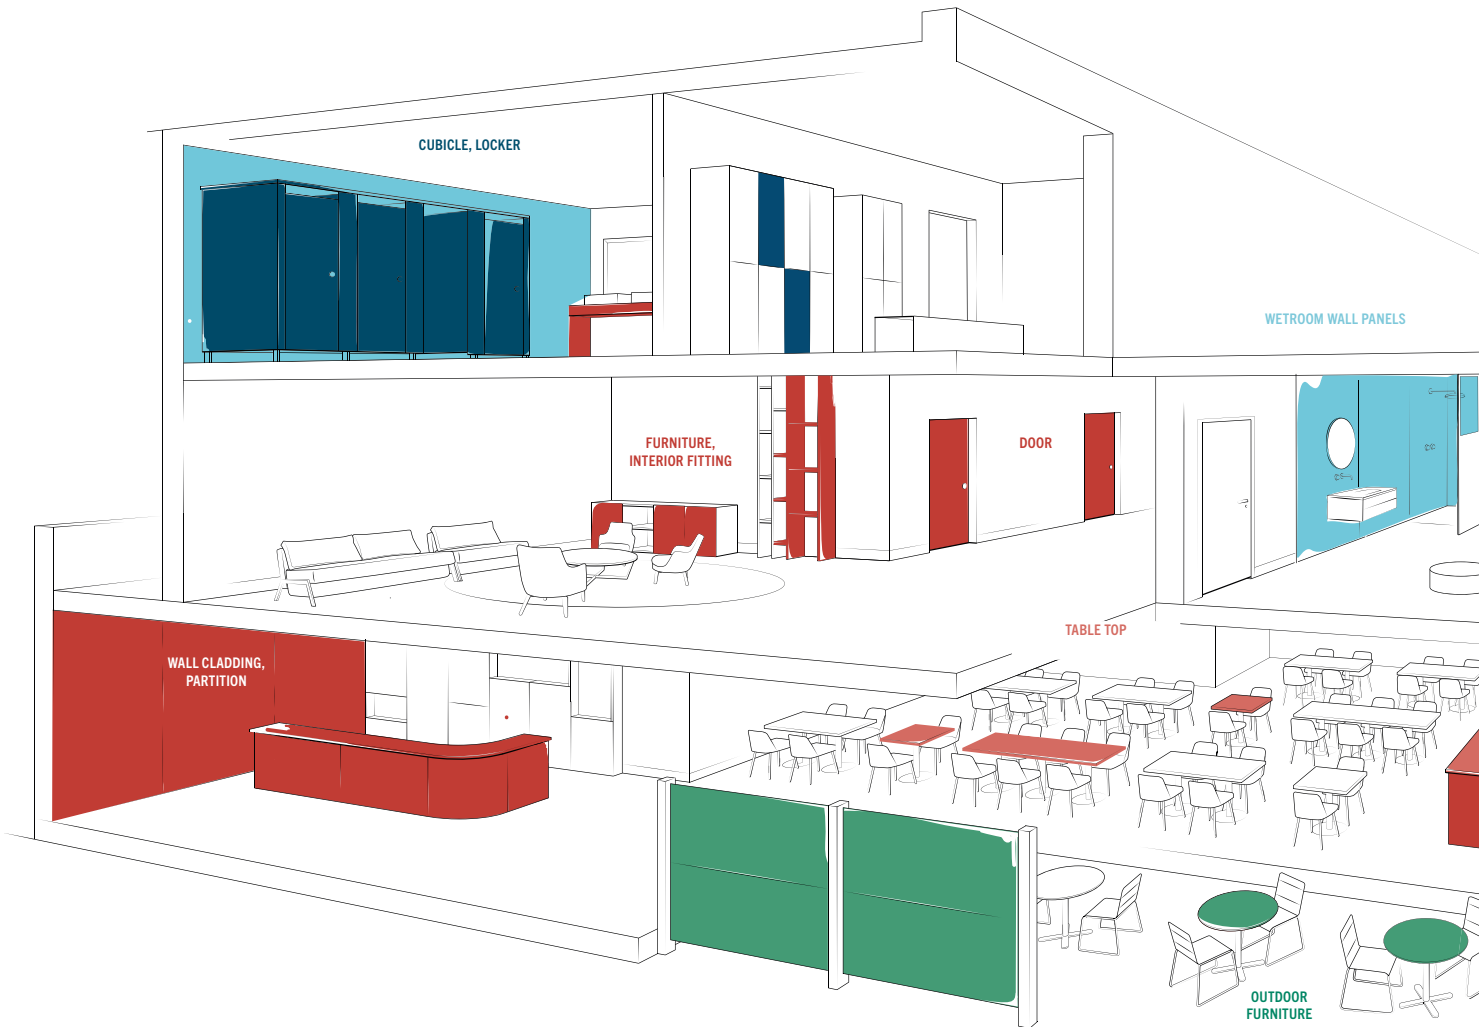

To save you time:  
Environment sheets,  
Installation sheets,  
Maintenance sheets, etc.

All our commitments  
and services on

Easy to install and without profile

**99,9%**  
bacteria reduction

## YOUR HYGIENE GUARANTEE

### All our products benefit from an antibacterial treatment.

This treatment, used during our manufacturing process, is designed to limit the proliferation of bacteria throughout the product's lifespan thanks to a treatment based on an active biocidal substance: silver phosphoborate glass.

Effective, reliable, and laboratory-tested, it acts sustainably and contains no nanoparticles. It is included as a standard feature, with no additional cost for our customers.

## PRODUCTS INFO

### MELAMINE FACED BOARD\*

PANOPREY® Melamine Faced Board on chipboard	
Identical decor both sides	
SIZE (cm)	280 × 207
SUBSTRATE	Chipboard**
FINISHES	BRI (19 mm Standard), EPM (except 8 mm), ESA, EXM, FA, LEG, LIM, SEV, SLK
GRADE	Standard, Fire retardant (12, 16 and 19 mm), Moisture resistant (19 mm)
THICKNESS (mm)	8 • 12 • 16 • 19 • 25 • 30

PANOPREY® Melamine Faced Board on MDF	
Identical decor both sides	
SIZE (cm)	280 × 207
SUBSTRATE	MDF board
FINISHES	BRI (19 mm), EPM, ESA, EXM, FA, LEG, LIM, SEV, SLK
GRADE	Standard
THICKNESS (mm)	12 • 16 • 19

PANOPREY® TOUCH 	
Matte anti-fingerprint Acrylic board	
1-sided or 2-sided decors	
SIZE (cm)	280 × 207
SUBSTRATE	MDF faced chipboard
FINISH	TCH
GRADE	Standard
THICKNESS (mm)	19
1 sided - BACKING	Decors C201, N005, P114 and V112: backing black Others decors: backing white

\* Anti-fingerprint finish: Acrylic panel

\*\* Low-emission substrate E1: equivalent to E0,5 commercial designation.

### EDGE BANDS:

A large selection of decors is available in ABS edgebanding from our partners, please contact us.

HIGH PRESSURE LAMINATE

**BONDED BOARD SERVICE:**

100% of Polyrey HPL® laminate decors are also available bonded on a board (except Panometal®, only available in A905).

POLYREY HPL® High Pressure Laminate (HPL)	
1-sided decor	
SIZE (cm)	307 × 124 • 307 × 132 • 305 × 132 • 412 × 151 Doors Sizes : 215 × 97 • 245 × 124
CORE	Brown
FINISHES	ALG, BRI, CUI, EPM, ESA, EXM, FA, FUS, GRA, LEG, LIM, ROC, SEV, SLK, SUR, TCH, TCR, TCL
GRADE	Standard, Postforming grade (except BRI, CUI, EPM, TCH, TCR, TCL), Fire retardant*
THICKNESS (mm)	0,8 • 1,0 (BRI)

POLYPREY® Polyrey HPL® High Pressure Laminate Bonded Board	
1-sided or 2-sided decors	
SIZE (cm)	307 × 124 (Except TCH, TCR, TCL : 305 × 124)
SUBSTRATE	Chipboard**, brown core MDF, birch plywood substrate (only available in 306,5 x 123,5 cm and TCH, TCR and TCL in 305 x 132 cm)

### codes

Library decor codes are composed of:  
2 letters + 1 number + 1 letter.  
Example: "TE1C"

		POLYREY HPL® LIBRARY					REYSIPUR® LIBRARY		
		High Pressure Laminate Service : Bonded Board Polyprey® (1)					Compact HPL		
		Standard grade					Fire retardant		
Panel Size (cm)		218 × 102	235 × 132		305 × 132		218 × 102	305 × 132	
Usable Area (cm)		218 × 102	235 × 132	235 × 130	305 × 132	305 × 130	218 × 102	305 × 132	305 × 130
Repeatable(2)		NO	NO	YES	NO	YES	NO	NO	YES
Bleed areas(3)		NO	NO	YES	NO	YES	NO	NO	YES
Thickness (mm)		0,8 Polyrey HPL® Library 19,6 Polyprey® Library					4 - 6 - 8 - 10 - 12,5		
		1,0 Polyrey HPL® Library 20 Polyprey® Library					4 - 6 - 8 - 10 - 12,5		
Finishes		60 - EXM			60 - EXM - BRI(4)		60 - EXM		

(1) Chipboard only available in size 305 x 132 cm.

(2) Some "repeatable" decors are more suited for fitting based on the pattern continuity. Decors "without repeat" fit side by side without a pattern continuity.

(3) To realise a precise and optimized connexion between two panels, we anticipate a bleed area on the panel.

(4) All decors available in 305 x 132 cm in Brillant, are available in 60 in other formats.

## COLOUR MATCHES & LRV\*

# plain colours

To facilitate co-ordination of our plain colour decors with other decorative materials, you will find the NCS® - RAL® - BS® - Pantone® - LRV matches for each colour in this table. The codes are given on an indicative basis. For the RAL® - BS® colour chart, Polyrey decors may vary : L = light / D = dark

**Find your perfect decor!** On [polyrey.com](http://polyrey.com), explore our advanced search tool. Enter your RAL or NCS reference and instantly access the décors closest to your inspiration.

MARINE TRANSPORTATION

Products		Grade	Thickness	Released Applications	Certificates available
High Pressure Laminate	Polyrey HPL® (except TOUCH)	Postforming	0,8 to 1,2 mm	Wall Paneling on non combustible structure <sup>(1)</sup>	Module B + D (Quality System)
		Standard			
	Monochrom HPL Black core	Standard	0,9 mm		
	Pur Metal®	Fire retardant	1 mm		

IMO MED certified products. Tested in combination with non-combustible substrates. Test Method IMO Resolution MSC.307(88)-(FTP Code 2010) appendix 1, part 2, part 5  
(1) According product placement (ie.cabinet) and final application (ie. furniture) IMO MED certification may not be required. Please refer to regulations in place.

RAILWAY TRANSPORTATION

Products		Grade	Thickness	Released Applications	Certificates available
High Pressure Laminate	Polyrey HPL® (except TOUCH)	Fire retardant	0,8 to 2 mm	HL2 - R1/R7/R17	Test report
Compact HPL	Reysipur® (except TOUCH)	Fire retardant	2 to 20 mm	HL2 - R1/R7/R17	Test report

Products meeting the standard's requirements EN 45545-2016 for vehicles classified HL2. For specific demand, please contact us.

BUS AND COACHES

Products		Grade	Thickness	Released Applications	Certificates available
High Pressure Laminate	Polyrey HPL® (except TOUCH)	Standard - Postforming	0,6 to 1,2 mm	Category M3, Classes II and III 1	Test report
Compact HPL	Reysipur® (except TOUCH)	Standard	2 to 6 mm	Category M3, Classes II and III 1	Test report

Products meeting the standard's requirements ECE R 118 annexes 6-7-8 for buses and coaches (vehicles with more than 8 seats).
