Kitchen and Bathroom Products

mirostone®
SOLID SURFACES FOR EVERY ROOM

About us

With over 60 years of trading experience, Blackheath Products (Blackheath) is a leading distributor to the construction and furniture sectors.

We are centrally located in the West Midlands of England and offer a delivery service to most parts of the UK.

We supply solid surface fabricators, furniture manufacturers, shop fitters, exhibition contractors, laminate fabricators, kitchen manufacturers, builders' merchants and kitchen + bathroom retailers.

Our range of product categories are

- 'Thin' decorative laminate and interior compact grade laminate sheets
- Solid surface sheets
- Decorative laminate, compact grade, solid surface, quartz and solid wood worktops
- Acrylic panels (decoratively painted and printed)
- Kitchen and bathroom sinks/bowls/taps
- Laminate and vinyl flooring
- Kitchen appliances
- Accessories such as adhesives, lighting, plumbing kits, ducting kits.

Some more company facts and figures

- Our annual turnover is approximately £27 million.
- Our warehouse has 100,000 square feet of stockholding and office space.
- We generally hold in stock over £6 million of our products.
- We have a very strong rating with all financial institutions.
- We employ approx. 80 members of staff who are all subject to our thorough training policies. They are passionate about customer service.
- We have a modern fleet of approx. 20 commercial vehicles (3.5-ton, 7.50-ton and 12 – 18-ton).

Some of the benefits of dealing with Blackheath

- We do not sell to the public because we will not undermine our trade customers by competing with them.
- We offer site deliveries.
- We have no standard minimum order quantity requirements on our standard routes.
- Customers can place orders up to 12pm Mondays to Fridays; in accordance with our delivery schedules.
- Our warehouse has the capacity and flexibility to handle seasonal demand fluctuations.
- We have a powerful and robust computer system which controls our sales, purchasing, accounting, and warehousing and distribution functions and is continually being developed to improve our business systems.
- Our commercial vehicle route planning is controlled by Paragon software – one of the UK's leading logistic systems. All our vehicles have satellite tracking and safe-use telephone communication equipment which enables us to accurately inform our customers of times of delivery.
- You can place orders with us 24 hours a day, 7 days a week using our website blackheathproducts.co.uk

Getting to Blackheath

from the North (M6, M5) From the junction with the M6 at Junction 8, continue on the M5 south, leaving at Junction 2. At the end of the slip road take the second exit on the roundabout to a second roundabout. Again, take the second exit (A4034). After two sets of traffic lights take the third road on the left, Station Road. At the small roundabout take the second exit into Nimmings Road, then almost immediately take the left fork into Fairfield Road. Take the first road on your left onto the estate. Blackheath Products is on your left.

from the South (M5) Leave the M5 at Junction 3 and at the roundabout take the first exit (A456). After a set of traffic lights take the third exit (A459) at the roundabout. At the next roundabout take the third exit (A458). Go straight ahead at the next two roundabouts, then take the next left into Narrow Lane which becomes Fairfield Road. Take the ninth right and Blackheath Products is on the left.

LAMURA®

EGGER

Tandem 30mm Curved Edge Worktops

Grey Dust

Tandem 30mm Curved Edge Décor Collection - Exclusive to Blackheath Products

The slimline 30mm thickness is in tune with the current kitchen design trend for thinner worktops, with the leading edge of Tandem worktops and both long edges of Tandem breakfast bars* have classic, gently curved edges.

Tandem 30mm is the lowest cost range from the Tandem Collection and a great cost effective option with 15 stunning laminates to choose from: includes worktops, breakfast bars, upstands and splashbacks.

Tandem 30mm Curved Edge Availability:

| | |
|----------------------|--------------------------|
| Worktop | 3000 x 600 x 30mm |
| Breakfast Bar | 3000 x 900 x 30mm |
| Upstand | 3000 x 100 x 18mm |
| Splashback | 3000 x 1210 x 8mm |

*Breakfast bars are sometimes called island units or peninsula units. All these descriptions refer to the same product.

**Slimline**

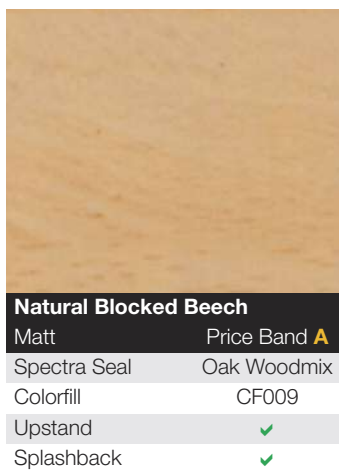

It's 30mm thickness is in tune with the current kitchen design demand for thinner worktops.

On Trend

The leading edge of Tandem 30mm Curved Edge worktops and both long edges of Tandem 30mm Curved Edge breakfast bars* have classic, gently curved edges: which look great!

Low Cost

Tandem 30mm Curved Edge is the lowest price range from the Tandem Collection.

Tandem 40mm Curved Edge Worktops

Snow Spark

Tandem 40mm Curved Edge Décor Collection - Exclusive to Blackheath Products

The solid look of the 40mm thickness of Tandem is still the most popular choice for kitchen worktops and breakfast bars*. The laminate wraps around the top and bottom surface of each Tandem edge; this gives the additional protection and looks great!

Tandem has a modern, tightly curved profile for the leading edge of the worktops and both long edges of the breakfast bars*. These new curved edges gives an almost square edge look, which is a very popular kitchen surface trend.

Tandem 40mm Curved Edge Availability:

- Choice of 20 colour matches for over 100 worktop designs
- Comes in a C90 cartridge for a standard glue gun
- One job, One cartridge

Conditions of Warranty are available at www.bushboard.co.uk

ColorFill Worktop Joint Sealant

ColorFill is a special sealant that combines the properties of an adhesive and water seal and will colour match all worktop laminates held in stock.

It comes in a 25g tube which is sufficient for one 600mm worktop joint.

ColorFill dries hard and has been scientifically formulated and tested to resist water, detergents and domestic cleaners as efficiently as the laminate. it will also withstand direct heat and sunlight.

Spectra Jointing Kits

Designed to make the job easier, each Spectra Curved-Edge and Spectra

Square-Edge décor has been colour matched to one of the Spectra Jointing Kits*.

Each Kit contains:

- 1 x 20g TopSeal with TopSeal applicator
- 3 x 15mm Easibolts for 38mm worksurfaces
- 3 x 12mm Easibolts for 22mm worksurfaces
- 3 x No. 20 jointing biscuits
- 1 x Instruction leaflet

*Each décor from our Lamura Worksurface Collection has also been colour-matched to one of the Spectra Jointing Kits.

Magic Eraser

Removes stains, scuff marks and dirt from virtually any surface.

Worktop Vent

This polished aluminium effect vent can be put onto a worktop, plinth or cupboard, to allow air to circulate.

Aluminium Jointing Strips

The profiles are available in Silver or Black and match or complement the majority of manufacturers worktop profiles with the exception of Axiom Eclipse. The three profiles shown enable you to create a corner joint, a straight joint or finish off the cut end of a worktop.

Adjustable Support Legs

These adjustable support legs have proven to be very popular.

The 870mm support legs make an ideal support for breakfast bars whilst the smaller 710mm support legs are the perfect height for use as table legs.

Both sizes have a 60mm diameter and incorporate a robust black plastic height adjustable foot.

Available in Chrome or Satin Steel finishes.

Pull-bolts and Lamellos

Our pull-bolts are made of galvanised steel and used in conjunction with the worktop mitre jig, an accurate and extremely strong mitre joint can be easily achieved.

Commonly known as 'biscuits', we also carry stocks of lamellos to grip and level your two surfaces.

Worktop Protector Rods

Stylish and practical, each rod has heat resistant self adhesive backing tape for easy application.

For accurate positioning the packaging also acts as a template to ensure the rods are equally spaced.

Contract Worktop Jig

SupaPlus Worktop Jig

Slim Worktop Jig

Display Discount

Display discounts are available. Please see your local Blackheath Area Sales Manager for further details. If you don't have an account with us please call **0121 561 4245** and we will send you an account application form.

Spectra Square-Edge | Wild Rustic Oak (Island Unit), Pure Concrete (Worksurfaces)

Square Edge Worktops

Square edge worksurfaces are a strong designer trend because of the demand for a solid and seamless look.

Complementing any kitchen style, Blackheath Products offers three types of ultra-modern square edge worksurfaces to choose from and all come with matching upstands and splashbacks to complete the look.

We stock well-known brands such as Egger as well as our very own exclusive Spectra Square-Edge, Spectra-Slim-Edge and Spectra Solid-Wood ranges.

E EGGER

Spectra Square Edge Worktops

Spectra 22mm and 40mm Square Edge Décor Collection - Exclusive to Blackheath Products

With the kitchen increasingly considered the heart of the home, it's hardly surprising as much thought is now given to appearance as functionality. It's important not to overlook the style of edging you choose for the work surfaces, breakfast bars and islands.

Square-Edge contemporary laminate surfaces offer powerful clean lines and a modern edge. Available in both 22mm and 40mm and contrasts beautifully with other surfaces, while creating a sense of structured order in a room where joyful chaos so often reigns.

Spectra Square Edge Availability:

We've got you covered

To create a beautiful seamless finish from any angle, all Square-Edge work surfaces, breakfast bars and island units are sealed with an identical décor on both sides and all edges.

Through thick and thin

Whether you favour the understated beauty of 22mm or the raw power of 40mm, you'll find a Square-Edge surface to suit. As ever, a combination of both thicknesses is also an option.

Beautifully versatile

Designed for maximum versatility, Spectra Square-Edge can also be used for shelves and cabinet framing to bring further co-ordination into your kitchen and utility room.

Custom-made Kitchen Worksurface Service

From unusual shapes to contrasting surfaces, we offer a custom-made service that can deliver outstanding stand out in your kitchen.

See over the page for more details.

SPECTRA SQUARE-EDGE CUSTOM-MADE SERVICE

We've never been big on limiting imagination. So while Spectra Square-Edge surfaces are available in a wide range of standard dimensions that can be easily machined to suit almost every kitchen, they can also be custom-made to create a design uniquely tailored to your kitchen or utility room.

4 steps to custom-made worksurfaces

STEP 1: ORDERING

First, get your designer to sketch the worktop, breakfast bar and island unit shapes you want. Don't forget to specify your choice of décor and thickness and be sure to include the overall dimensions of each shape.

STEP 2: APPROVAL

After your designer has sent us their sketch we'll create a technical working drawing for you to review and approve. Exciting times.

STEP 3: SIGN-OFF

Once we've received your written approval we'll start the custom-made manufacturing process. Doubly exciting times.

STEP 4: DELIVERY

After we've fully checked the finished custom-made surfaces, we'll deliver them straight to your chosen location within three weeks of the sign-off stage.

SPECTRA SQUARE-EDGE CUSTOM-MADE FACTS AND FIGURES

| | |
|--------------------------------------|----------------------------|
| Maximum length | 4050mm |

Spectra Slim Edge Worktops

White Italian Marble (Island Unit)
Concrete Woodprint (Worksurfaces)

Spectra Slim-Edge Décor Collection - Exclusive to Blackheath Products

Great design rarely shouts, but rather quietly commands. Such is the case with Spectra Slim-Edge worktops. Quick to install and impossible to ignore, they provide the perfect option for contemporary kitchens and utility areas.

At just 12mm in thickness, Spectra Slim-Edge is one of the thinnest work surfaces available on the market today. It's also one of the toughest too, not to mention most versatile and sophisticated.

We believe the way a worktop feels is just as important as the way it looks. It's why we've applied three distinctive textures across the Spectra Slim-Edge range to give each of the 18 décors a highly natural feel.

Spectra Slim-Edge Availability:

| | |
|-----------------------|--------------------------|
| Worktop | 3050 x 650 x 12mm |
| Breakfast Bars | 3050 x 950 x 12mm |
| Upstand | 3050 x 95 x 12mm |
| Splashbacks | 3050 x 650 x 12mm |
| | 3050 x 950 x 12mm |

*Breakfast bars are sometimes called island units or peninsula units. All these descriptions refer to the same product.

12mm Slim-Edge

For a copy of the Spectra Slim-Edge brochure call **0121 561 4245** or email your request to **sales@blackheathproducts.co.uk**

Why choose Spectra Slim-Edge?

- **Stunning appearance** of natural stone or marble without the heavy price tag.
- **Impressive impact and abrasion resistance** thanks to its solid construction.
- **Completely waterproof**, enabling you to integrate with stylish drainer grooves and sleek undermounted sinks.
- **Hygienic design** ensures liquids can be easily wiped away without any surface absorption, greatly reducing the growth of bacteria.
- **Quicker and easier to install** than real stone or marble products, Slim-Edge doesn't require any time-consuming surveys and can be installed with regular woodworking tools.

Concrete Woodprint

**Pure Black Slate**

SPECTRA SLIM-EDGE CUSTOM-MADE SERVICE

Let us manufacture your custom-made Spectra Slim-Edge surfaces to whatever shape and size you need. And we can add features such as sink and hob cut outs, drainer grooves and butt joints - saving you time and money.

4 steps to custom-made worksurfaces

STEP 1: ORDERING

First, arrange a sketch of the surfaces you need, showing the selected décor, shapes and dimensions.

STEP 2: APPROVAL

From your initial drawing we create a technical drawing and send it to you to approve and confirm price.

STEP 3: MANUFACTURE

Once we've received your signed approval, we'll produce your custom-made Spectra Slim-Edge surfaces.

STEP 4: DELIVERY

We deliver your completed custom-made surfaces within three weeks of receiving your signed off drawing approval.

For further information regarding the custom-made service please call 0121 561 4245 or email sales@blackheathproducts.co.uk

Spectra Slim-Edge online quoting tool

Quoting your custom-made surface couldn't be easier with our handy online quoting tool.

You can specify your décor, dimensions and any additional features you may require.

Access the online quoting tool by visiting blackheathproducts.co.uk/calculator

Draw your custom-made surfaces design including any additional features such as sink and hob cut-outs. It is important that you let us know how your custom-made surfaces will be positioned within the room design by sending us a sketch.

Our advice is that most surfaces are supplied over size so that you avoid the need for expensive templating. Please see the configuration example below for details.

Spectra Slim-Edge Worktop Configuration

Example Diagram

Radius restrictions: Minimum internal radius 30mm, Minimum external radius 30mm.

Configuration Example:

A - Open End Worktop

Worktop A is open at one end so it should not be necessary to supply this over size.

B - Restricted Workshop

Worktop B is fixed in size between 2 walls.
We will supply this over size for you to scribe
accurately on site.

C - Island Worktop

Worktop C is an island and can be supplied to the exact size required with finished edges

Spectra Solid Wood Worktops

Spectra 30mm and 40mm Solid Wood Décor Collection - Exclusive to Blackheath Products

Naturally enduring, naturally hygienic, naturally adaptable. The benefits of solid wood surfaces speak for themselves, which is why we're pleased to introduce the Spectra Solid-Wood range.

Not only do Spectra Solid-Wood work surfaces look stunning, they have proven antibacterial properties making them an ideal choice for your kitchen. Furthermore, while modern synthetic laminates and plastics may denature, warp or lose colour over time, timber surfaces look better the longer you have them.

Spectra Solid Wood Availability:

| | |
|------------------------------|--|
| Rustic Worktops | 3000 x 650 x 30mm 3000 x 900 x 30mm 3000 x 650 x 40mm 3000 x 900 x 40mm |
| European Worktops | 2000 x 650 x 40mm 3000 x 650 x 40mm 4000 x 650 x 40mm 3000 x 900 x 40mm |
| Upstand | 3000 x 100 x 20mm |

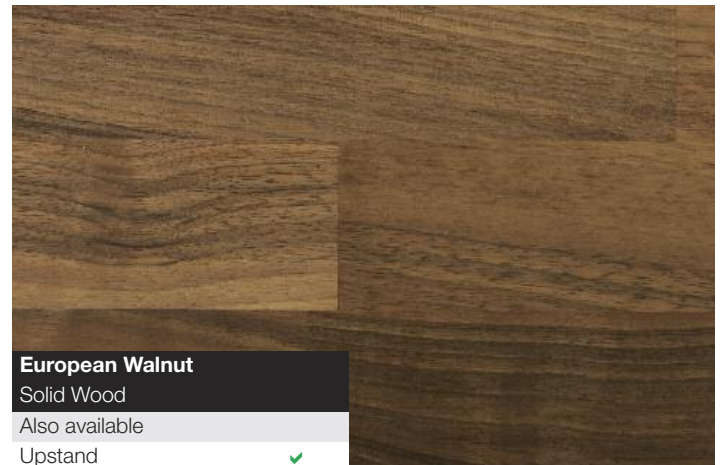

Rustic Oak

Specification

- Each species of wood is manufactured from a sustainable source, assured by our source of supply FSC accreditation.
- The work surfaces are un-oiled and pre-sanded to a 180 grit for a finer finish.
- The profile is a square cut design that can be left for a contemporary look or shaped to your own design.
- Staves are hand selected into complementary colour and grain patterns to create a beautiful and unique surface.
- Wrapped in polythene and heavy duty cardboard for extra protection during transportation.
- Proven natural antibacterial properties, unlike many synthetic surfaces and is completely non-toxic.

We recommend preserving oil to maintain your Spectra Solid Wood work surfaces. The oil not only makes your surface resistant to water damage but gives it a richer, darker finish.

Display Discount

Display discounts are available. Please see your local Blackheath Area Sales Manager for further details. If you don't have an account with us please call **0121 561 4245** and we will send you an account application form.

At Blackheath Products we stock Staron as well as our very own exclusive Mirostone range of solid surface materials for you to choose from.

All of the following products offer amazing stone effects that are ideal for all types of applications.

mirostone® staron®

Mirostone Solid Surfacing

Taj Mahal (Island Unit), Avalon (Worksurfaces)

Mirostone - Solid surfaces for every room Exclusive to Blackheath Products

Mirostone is a range of durable worksurfaces, that have all the beauty and feel of natural stone combined with exceptional practicality. This makes it the perfect surface for domestic kitchens, but is equally at home in the bathroom or bedroom.

All 17 Mirostone décors are 20mm thick to reduce costs and installation weights.

Mirostone can be fitted safely and easily by specialist qualified installers.

Mirostone's 17 distinctive designs are not just skin deep, they run consistently throughout its thickness. So now you can have some uniquely stylish and practical worksurface features.

Mirostone Availability:

| | |
|----------------------|--------------------------|
| Worktop | 3000 x 650 x 20mm |
| Breakfast Bar | 2000 x 960 x 20mm |
| Upstand | 3010 x 100 x 12mm |
| Splashback | 3010 x 760 x 12mm |

*Breakfast bars are sometimes called island units or peninsula units.
All these descriptions refer to the same product.

For a copy of our Mirostone collection brochure call **0121 561 4245** or email your request to **sales@blackheathproducts.co.uk**

Benefits of Mirostone

- Mirostone does not need to be templated; it can be installed as quickly as a standard decorative laminate worksurface.
- Mirostone sheets can be joined and easily integrated with Mirostone sinks and bowls with imperceptible seams.
- Mirostone is repairable in the unlikely occurrence of damage.
- Mirostone is non-toxic, hygienic and waterproof.
- Mirostone is completely solid and so it is not bonded to a substrate. Therefore it will not delaminate.
- Mirostone has a 10 year warranty.

Staron Kitchen Collection - Hygienic, safe and beautifully versatile kitchen surfaces

We strongly believe inspiration comes in many forms. Or in the case of the Staron Collection, many many forms. You'll find 28 striking décors inspired by both nature and human endeavour, all handily grouped into six beautifully distinctive ranges.

Colour coordination

Few tools are more powerful to a kitchen designer than colour. However, when used without restraint it can quickly turn into a recipe for disaster. It's why we've made sure each of the 28 Staron décors are available for use on all surface components, from sinks and splashbacks to worktops and windowsills. That way your designer will be able to achieve a colour coordinated finish that feels instantly timeless.

A cut above

While we may be experts in making kitchens look stunning, it's always been our view there's nothing more beautiful about a kitchen than seeing it used day in, day out. It's why every Staron surface is designed to withstand years of splashes, spillages and splodges. And we're so confident Staron is up to the task that we offer a 10-year limited homeowner warranty. What's more, this warranty is fully transferable so you'll be able to pass it on should you ever sell your home in the future.

staron®
Solid Surfaces

Key to availability ■ Available ex-factory ✓ Available ex-stock Blackheath

Go thick or thin!

When you choose Staron you can also choose the thickness of your worksurfaces with the help of your kitchen designer. From fashionably thin up to whatever thickness you want. You can even stylishly incorporate a mixture of thicknesses into your kitchen design. How about an ultra thick 100mm surface on the breakfast bar and ultra thin 12mm for all the other worksurfaces? And of course with Staron, you can seamlessly have whatever length or depth of worksurface or breakfast bar you want.

Complete the look

Create a look that beautifully flows from one surface to another with our range of solid surface sinks and bowls. Whichever style you choose, Staron's non-porous, 100% waterproof surfaces are always easy to clean and maintain.

Terrazzo Range

While rooted in tradition, terrazzo design is increasingly being embraced in modern kitchens. You'll find three distinctively different styles just a stone's throw away.

White Stone Range

There's a reason white remains a timeless colour choice in the kitchen. Naturally it brings added light and brightness, but it also creates the illusion of having more room to play with.

Staron is 100% waterproof

Because Staron surfaces are completely non-porous water bound viruses and bacteria cannot develop within the surface. So when you thoroughly wipe clean your Staron surfaces you can be confident you're making them completely hygienic again.

Staron is completely seamless

Some worktop materials have visible joints where viruses and bacteria can develop. Staron solves this issue by being seamless, without any conspicuous joints. What's more, because all Staron surfaces, sinks and bowls can be installed together completely joint-free they're naturally smoother and easier to keep spotlessly clean.

Staron is made from safe materials

Unlike some worktop surfaces, Staron is made of completely safe materials. It's one of the reasons it's NSF-51 food-safe accredited. Food for thought we're sure you'll agree.

Peak

Decorative Stone Range

This ever-present material in modern architecture is a natural choice for kitchens, as the weathered appearance of concrete cunningly hides the scratches that come with a bustling kitchen.

✦ Darker colours in the Staron range are more delicate than lighter colours and require a greater level of care. These colours will not be covered by the 10-year warranty for use in domestic kitchens.

The following Staron® décors are designed with marble veined effects which are difficult to fully appreciate in the smaller samples shown. This is why we have also shown below each of these décors in a full worktop

Rotor Cloud

Cotton White Tuscany Marble Range

Rotor Cloud Tuscany MarbleRange

Cloudbank Tuscany Marble Range

A rectangular sample of Cloudbank Travertine Marble. The surface is a light, off-white color with subtle, organic veining and a slightly textured appearance.

Cloudbank Travertine Marble Range

A rectangular sample of Ocean View Travertine Marble. The surface features a mix of light cream and pale yellow tones with soft, flowing veining patterns.

Ocean View Travertine Marble Range

A rectangular sample of Dawn Travertine Marble. The surface is a light greyish-beige with intricate, darker grey and brown veining that creates a complex, organic pattern.

Dawn Travertine Marble Range

A rectangular sample of Dandelion Travertine Marble. The surface is a light cream color with prominent, vertical veins of golden-yellow and light brown, giving it a warm, natural look.

Dandelion Travertine Marble Range

A rectangular sample of Dawn Travertine Marble. The surface is a light greyish-beige with intricate, darker grey and brown veining. In the bottom right corner, there is a cluster of pink and yellow flowers, and a single flower lies to the left, providing a sense of scale.

Wall Panelling

Transform an ordinary kitchen or bathroom into a haven of luxury with our range of sophisticated vanity surfaces and wall panels.

No more cracked tiles and grubby grout, just hygienic, easy-to-clean surfaces that make a stylish statement without having to splash out.

MAZAN[®]  nuance

Mazan Acrylic Glass Splashbacks and Wall Panels

Ink Well

Mazan Acrylic Glass Collection

Mazan acrylic glass provides an innovative and cost-effective alternative to traditional glass and ceramic tiles.

Equally at home in both domestic and commercial buildings, Mazan is quick to shape on-site, easy to install and effortless to maintain, while the bold colour options available ensure every kitchen, bathroom and interior space delivers an outstanding look.

Mazan is environmentally friendly using much less energy during its production than glass. Mazan can also be recycled.

Bushboard Nuance Bathroom Surfaces

Nuance Bathroom Surfaces Collection

Nuance is an award winning bathroom wall panel system for use in showers, wet rooms and around the bath. Nuance panels are easy to cut and fit and go straight on the wall, even over tiles, with a no-extrusion finish and 100% waterproof guarantee.

In realistic marble, stone, wood and tile effects, Nuance means design freedom - helping you achieve a high-end, boutique bathroom finish in any home.

Nuance panels are easy to move, cut, fit and seal using BB Complete, and they're faster to apply than tiles. With no grout to contend with, Nuance is seamless and easy to clean - no scrubbing required, and no ugly trim to apply.

River Collection | Severn Granite Sink with Dnieper Mixer Tap

Sinks and Taps

**Everything but the kitchen sink?
Not at Blackheath Products.**

We offer sinks, taps and accessories from our exclusive River range giving you an unrivalled collection to suit every budget.

There's never been so much choice and there's never been a better place to choose from.

River Sink and Tap Collection

Colne One & Half Bowl

Introducing the updated River sink and tap collection... quality you can bank on!

Rivers were once considered an invaluable lifeline. They provided the water we needed to drink, cook and clean. It's why we're proud to introduce a collection of beautifully practical sinks and taps directly inspired by the world's most famous waterways.

Each sink and tap is named after the river that most closely reflects its unique character and design. From the no-nonsense Wye and dramatic glass-topped Dane, to the fittingly grand Thames, our designers have channelled their passion and expertise to create a collection that truly stands out in terms of style, durability and innovation.

For a copy of our River Sinks and Taps collection brochure call **0121 561 4245** or email your request to us at **sales@blackheathproducts.co.uk**

Long-term peace of mind

Sinks and bowls carry a lifetime warranty* against genuine material and manufacturing defects. Taps carry a five-year warranty* against material and manufacturing defects, while surface finish and valves carry a two-year warranty*.

*For full terms and conditions, including exclusions, please visit **www.riversinksandtaps.co.uk**

River Stainless Steel Inset Sinks

UNDERMOUNT SINK JIGS AVAILABLE

Jig templates are available for all of our River undermount sinks, allowing you to achieve the perfect sink cut-out. Each jig is reusable so you won't need to buy another for your next installation of that particular sink.

For more information call **0121 561 4245** or email your request to sales@blackheathproducts.co.uk

BULK DISCOUNTS ARE ALSO AVAILABLE FOR CUSTOMERS PURCHASING MULTIPLE SINKS

River Granite Inset Sinks

Create a real statement of intent with our granite inset sinks. Available in a range of five stylish tones, every sink is primarily manufactured with natural quartz for optimal durability, colourfastness and resistance to heat and stains.

They also include exceptional anti-bacterial properties, providing you with both style and safety in the kitchen.

River Solid Surface Sinks

Seamless finish, flawless innovation. River solid surface sinks and bowls fully integrate with no open joints or seams when installed into solid surfaces, creating a premium finish that's easy to maintain and completely hygienic. For added practicality, drainer grooves can be graduated to create a waterfall that drains away drips and splashes.

River Collection Boiling Hot Water Tap

Say goodbye to the kettle and hello to instant filtered hot water on tap

In addition to providing 98°C water on demand, the Amanzi functions as a standard twin lever mixer tap providing hot and cold water. The tap also features a child lock safety switch preventing hot water being dispensed unless the handle is held in the on position.

Amanzi Hot Water Tap
Twin lever mixer

Child safe spring lock on the instant hot water dispenser

| | |
|--------------------|---------|
| Height | 343mm |
| Reach | 210mm |
| Spout height | 257mm |
| Operating pressure | 1.0 bar |

Ducting Systems

We offer a comprehensive range of ducting systems and components which are available ex-stock and include all fixing and jointing accessories required for a successful installation.

The 4" kits shown here come pre packed with everything you need to vent via a wall directly behind an extractor hood or via a wall adjacent to the extractor hood.

All internal fittings are white to ensure an inconspicuous solution while external outlets are brown to match most external walls and brick work.

If you require extra components or need to build your own ducting kit, we have a selection of ducting items (shown below) that are all available from stock.

PVC flexible ducting hose

Rigid pipe

PVC flexible rectangular ducting

The Widest Choice

Whichever wood or stone design you're thinking of, Quick-Step® has it. Choose from the unique designs contained in fourteen different ranges.

Super-easy to lay

Thanks to the fantastic Uniclic system, you can lay Quick-Step® floor in one click and it's always perfect.

Wear and scratch resistant

The protective layer is highly resistant to wear. Scratch guard, the latest Quick-Step® innovation, now provides an even more scratch resistant top layer

25 Year warranty

Quick-Step® provides no less than a 25 year warranty on wear and a lifetime warranty on the Uniclic and Unilink system.

Quick-Step® Concept Display Stands

Various display stands are available. Please see your local Blackheath area sales manager for further details.

If you don't have an account with us please call **0121 561 4245** and we will send you an account application form.

Quick-Step Livyn Balance Click I Select Oak Natural

Flooring and Accessories

It's easy to trip up when faced with flooring decisions.

Blackheath Products range of flooring options offers you great choice and value.

Our flooring accessories will help you make light work of installation, finishing and maintenance.

Quick-Step® Livyn Balance Click

Quick-Step® offers two new Livyn collections, each with unique designs: Balance, which comes in planks, and Ambient which has a tile format. Each of these floors radiates its own mood thanks to the real life details, beautiful surface structure and fascinating colour variations. The collection boasts twenty different looks.

Choose Click

Installing a Quick-Step® Livyn floor is simple thanks to the patented Uniclic® Multifit for Livyn click system.

This system is highly user-friendly, quicker to install and a lot more solid than other systems. We have shown here a range of accessories for tasks during the installation, finishing and maintenance.

WHY USE A QUICK-STEP® LIVYN UNDERLAY?

Installing the right underlay has a major impact on the final look, quality and comfort of your Quick-Step® Livyn floor. The high-quality Livyn underlay is easy to install, creates a level base for your new floor and provides excellent acoustic insulation.

- A Quick-Step® Livyn underlay levels and helps to **prevent irregularities and pressure marks**
- It offers good **sound insulation properties** towards the room below and **reduces creaking noises** when you walk across the floor
- This strong and durable underlay is **ideal for the Uniclic® Multit click system**
- It is perfectly suitable for **floor heating and/or cooling**.

THE CUSTOMER'S ATTENTION IS PARTICULARLY DRAWN TO THE PROVISIONS OF CLAUSE 12.

1. INTERPRETATION

1.1 Definitions. In these Conditions, the following definitions apply:

Blackheath: Blackheath Products Limited registered in England and Wales with company number 597879.

Business Day: a day other than a Saturday, Sunday or public holiday in England when banks in London are open for business.

Commencement Date: has the meaning set out in clause 2.2.

Conditions: these terms and conditions as amended from time to time in accordance with clause 15.7.

Contract: the contract between Blackheath and the Customer for the supply of Goods and/or Design Services in accordance with these Conditions. Customer: the person or firm who purchases the Goods and/or Design Services from Blackheath.

Deliverables: the design set out in the Order.

Delivery Location: has the meaning set out in clause 4.2.

Design Services: the design services, including the Deliverables, supplied by Blackheath to the Customer as set out in the Design Service Specification below.

Design Service Specification: the description or specification for the Design Services provided in writing by Blackheath to the Customer.

Force Majeure Event: has the meaning given to it in clause 14.1.

Goods: the goods (or any part of them) set out in the Order.

Goods Specification: any specification for the Goods that is agreed in writing by the Customer and Blackheath.

Intellectual Property Rights: patents, rights to inventions, copyright and related rights, trade marks, business names and domain names, rights in get-up, goodwill and the right to sue for passing off, rights in designs, database rights, rights to use, and protect the confidentiality of, confidential information (including know-how), and all other intellectual property rights, in each case whether registered or unregistered and including all applications and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world.

Order: the Customer's order for the supply of Goods and/or Design Services, as set out in the Customer's purchase order form, or the Customer's written acceptance of Blackheath's quotation, or overleaf, as the case may be.

1.2 "Construction". In these Conditions, the following rules apply :

1.2.1 a **person** includes a natural person, corporate or unincorporated body (whether or not having separate legal personality);

1.2.2 a reference to a party includes its personal representatives, successors or permitted assigns;

1.2.3 a reference to a statute or statutory provision is a reference to such statute or statutory provision as amended or re-enacted. A reference to a statute or statutory provision includes any subordinate legislation made under that statute or statutory provision, as amended or re-enacted;

1.2.4 any phrase introduced by the terms **including**, **include**, **in particular** or any similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms; and

1.2.5 a reference to **writing** or **written** includes faxes and e-mails.

2. BASIS OF CONTRACT

2.1 The Order constitutes an offer by the Customer to purchase Goods and/or Design Services in accordance with these Conditions.

2.2 The Order shall only be deemed to be accepted on the earlier of:

2.2.1 Blackheath issuing written acceptance of the Order;

2.2.2 Any act by Blackheath consistent with fulfilling the Order, at which point and on which date the Contract shall come into existence ("**Commencement Date**").

2.3 The Contract constitutes the entire agreement between the parties.

The Customer acknowledges that it has not relied on any statement, promise, representation, assurance or warranty made or given by or on behalf of Blackheath which is not set out in the Contract.

2.4 Any samples, drawings, descriptive matter or advertising issued by Blackheath and any descriptions of the Goods or illustrations or descriptions of the Design Services contained in Blackheath's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Design Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.

2.5 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.6 Any quotation given by Blackheath shall not constitute an offer, and is only valid for a period of 30 days from its date of issue.

2.7 Any typographical, clerical or other error or omission in any sales literature, quotation, acceptance of offer, invoice or other document or information issued by Blackheath shall be subject to correction without liability on the part of Blackheath.

2.8 No Order which has been accepted by Blackheath may be cancelled by the Customer except with the agreement in writing of Blackheath or the terms that the Customer shall indemnify Blackheath in full against all loss (including the cost of all labour and materials used), damages, charges and expenses incurred by Blackheath as a result of cancellation.

2.9 The Customer shall comply with all applicable laws, statutes and

regulations relating to anti-bribery and anti-corruption including but not limited to the Bribery Act 2010.

2.10 All of these Conditions shall apply to the supply of both Goods and Design Services except where application to one or the other is specified.

3. GOODS

3.1 The Goods are described in Blackheath's catalogue and website as modified by any applicable Goods Specification.

3.2 Blackheath reserves the right to amend the specification of the Goods if required by any applicable statutory or regulatory requirements.

4. DELIVERY OF GOODS

4.1 Blackheath shall ensure that:

4.1.1 each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant Customer and Blackheath reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Order is being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and

4.1.2 if Blackheath requires the Customer to return any packaging material to Blackheath, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as Blackheath shall reasonably request. Returns of packaging materials shall be at Blackheath's expense.

4.2 Blackheath shall deliver the Goods to the location set out in the Order or such other location as the parties may agree ("**Delivery Location**") at any time after Blackheath notifies the Customer that the Goods are ready.

4.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location. Blackheath shall not be responsible for unloading the Goods at the Delivery Location and, for the avoidance of doubt, shall not be required to deliver the Goods anywhere other than kerbside at the Delivery Location.

4.4 Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. Blackheath shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide Blackheath with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

4.5 If Blackheath fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. Blackheath shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event, the Customer's failure to provide Blackheath with adequate delivery instructions for the Goods or any relevant instruction related to the supply of the Goods.

4.6 If the Customer fails to accept or take delivery of the Goods within three Business Days of Blackheath notifying the Customer that the Goods are ready, then except where such failure or delay is caused by a Force Majeure Event or by Blackheath's failure to comply with its obligations under the Contract in respect of the Goods:

4.6.1 delivery of the Goods shall be deemed to have been completed at 9.00am on the third Business Day following the day on which Blackheath notified the Customer that the Goods were ready; and

4.6.2 Blackheath shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

4.7 If four Business Days after Blackheath notified the Customer that the Goods were ready for delivery the Customer has not taken delivery of them, Blackheath may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.

4.8 Blackheath may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

5. QUALITY OF GOODS

5.1 Where Blackheath is not the manufacturer of the Goods, Blackheath shall endeavour to transfer to the Customer the benefit of any warranty or guarantee given to Blackheath.

5.2 Blackheath warrants that on delivery the Goods shall:

5.2.1 conform in all material respects with their description and any applicable Goods Specification;

5.2.2 be free from material defects in design, material and workmanship.

5.3 Subject to clause 5.5, if:

5.3.1 the Customer gives notice in writing within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in clause 5.2;

5.3.2 Blackheath is given a reasonable opportunity of examining such Goods; and

5.3.3 the Customer (if asked to do so by Blackheath) returns such Goods and any strapping or packaging to Blackheath's place of business at the Blackheath's cost, Blackheath shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full.

5.4 Blackheath reserves the right to charge the Customer for the cost of inspection of the Goods and/or return of Goods where Blackheath deems the Goods to be in accordance with the warranty set out in clause 5.2.

5.5 Blackheath shall not be liable for the Goods' failure to comply with the warranty in clause 5.2 if:

5.5.1 the Customer makes any further use of such Goods after giving a notice in accordance with clause 5.4;

5.5.2 the defect arises because the Customer failed to follow Blackheath's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice;

5.5.3 the defect arises as a result of Blackheath following any drawing, design or Goods Specification supplied by the Customer;

5.5.4 the Customer alters or repairs such Goods without the written consent of Blackheath;

5.5.5 the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions;

5.5.6 the Goods differ from their description or the Goods Specification as a result of changes made to ensure they comply with applicable statutory or regulatory standards;

5.5.7 the Goods comply with the tolerance margins adopted by the manufacturer of the Goods.

5.6 Except as provided in this clause 5, Blackheath shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 5.2.

5.7 The terms of these Conditions shall apply to any repaired or replacement Goods supplied by Blackheath under clause 5.3.

6. TITLE AND RISK

6.1 The risk in the Goods shall pass to the Customer on completion of delivery.

6.2 Title to the Goods shall not pass to the Customer until:

6.2.1 Blackheath receives payment in full (in cash or cleared funds) for the Goods and any other goods that Blackheath has supplied to the Customer in respect of which payment has become due, in which case title to the Goods shall pass at the time of payment of all such sums

6.3 Until title to the Goods has passed to the Customer, the Customer shall:

6.3.1 store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as Blackheath's property;

6.3.2 not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;

6.3.3 maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on Blackheath's behalf from the date of delivery;

6.3.4 notify Blackheath immediately if it becomes subject to any of the events listed in clause 13.1.1 to clause 13.1.11; and

6.3.5 give Blackheath such information relating to the Goods as Blackheath may require from time to time.

6.4 If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 13.1.1 to clause 13.1.11, then, without limiting any other right or remedy Blackheath may have:

6.4.1 the Customer's right to resell Goods or use them in the ordinary course of its business ceases immediately; and

6.4.2 Blackheath may at any time: (a) require the Customer to deliver up all Goods in its possession which have not been resold, or irrevocably incorporated into another product; and (b) if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

7. SUPPLY OF DESIGN SERVICES

7.1 Blackheath shall provide the Design Services to the Customer in accordance with the Design Service Specification in all material respects.

7.2 Blackheath shall use all reasonable endeavours to meet any performance dates for the Design Services, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Design Services.

7.3 Blackheath shall have the right to make any changes to the Design Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the Design Services, and Blackheath shall notify the Customer in any such event.

7.4 Blackheath warrants to the Customer that the Design Services will be provided using reasonable care and skill.

8. CUSTOMER'S OBLIGATIONS

8.1 The Customer shall:

8.1.1 ensure that the terms of the Order and (if submitted by the Customer) the Goods Specification are complete and accurate;

8.1.2 co-operate with Blackheath in all matters relating to the Design Services;

8.1.3 provide Blackheath with such information and measurements as Blackheath may reasonably require to supply the Design Services, and ensure that such information is accurate in all material respects;

8.1.4 provide Blackheath with its written acceptance of the design arising from the Design Services before any work commences on the manufacture of Goods to that design.

8.2 If Blackheath's performance of any of its obligations in respect of the Design Services is prevented or delayed by any act or omission by the Customer or failure by the Customer to perform any relevant obligation ("**Customer Default**"):

8.2.1 Blackheath shall without limiting its other rights or remedies have the right to suspend performance of the Design Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays Blackheath's performance of any of its obligations;

8.2.2 Blackheath shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from Blackheath's failure or delay to perform any of its obligations as set out in this clause 8.2; and

8.2.3 the Customer shall reimburse Blackheath on written demand for any costs or losses sustained or incurred by Blackheath arising directly or indirectly from the Customer Default.

9. CHARGES AND PAYMENT

9.1 The price for Goods and Design Services shall be the price set out in the Order or, if no price is quoted, the price set out in Blackheath's published price list as at the date of delivery. The price of the Goods is exclusive of VAT and all costs and charges of packaging, insurance, transport of the Goods.

9.2 Blackheath reserves the right to increase the price of the Goods, by giving notice to the Customer at any time before delivery, to reflect any increase in the cost of the Goods to Blackheath that is due to:

9.2.1 any factor beyond the control of Blackheath (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);

9.2.2 any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Goods Specification; or

9.2.3 any delay caused by any instructions of the Customer in respect of the Goods or failure of the Customer to give Blackheath adequate or accurate information or instructions in respect of the Goods.

9.3 In respect of Goods and Design Services, Blackheath shall be entitled to invoice the Customer:

9.3.1 in the case of trade counter customers at the time of order; and

9.3.2 in the case of account Customers, at any time after completion of delivery.

9.4 Unless otherwise agreed in writing, the Customer shall pay each invoice submitted by Blackheath:

9.4.1 before the end of the month following the month in which the invoice is dated; and

9.4.2 in full and in cleared funds to a bank account nominated in writing by Blackheath, and time for payment shall be of the essence of the Contract.

9.5 For the avoidance of doubt, Blackheath shall be entitled to request payment up front at the time of order or delivery at its discretion, including without limitation where the Customer is a trade counter or account customer.

9.6 All amounts payable by the Customer under the Contract are exclusive of amounts in respect of value added tax chargeable from time to time ("VAT"). Where any taxable supply for VAT purposes is made under the Contract by Blackheath to the Customer, the Customer shall, on receipt of a valid VAT invoice from Blackheath, pay to Blackheath such additional amounts in respect of VAT as are chargeable on the supply of the Design Services or Goods at the same time as payment is due for the supply of the Design Services or Goods.

9.7 If the Customer fails to make any payment due to Blackheath under the Contract by the due date for payment, then the Customer shall pay interest on the overdue amount at the rate of 8% per annum above the Bank of England's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest together with the overdue amount.

9.8 The Customer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding except as required by law. Blackheath may, without limiting its other rights or remedies, set off any amount owing to it by the Customer against any amount payable by Blackheath to the Customer.

10. INTELLECTUAL PROPERTY RIGHTS

All Intellectual Property Rights in or arising out of or in connection with the Design Services shall be owned by Blackheath.

11. CONFIDENTIALITY

A party ("receiving party") shall keep in strict confidence all technical or commercial know-how, specifications, inventions, processes or initiatives which are of a confidential nature and have been disclosed to the receiving party by the other party ("disclosing party"), its employees, agents or subcontractors, and any other confidential information concerning the disclosing party's business, its products and design services which the receiving party may obtain. The receiving party shall only disclose such confidential information to those of its employees, agents and subcontractors who need to know it for the purpose of discharging the receiving party's obligations under the Contract, and shall ensure that such employees, agents and subcontractors comply with the obligations set out in this clause as though they were a party to the Contract. The receiving party may also disclose such of the disclosing party's confidential information as is required to be disclosed by law, any governmental or regulatory authority or by a court of competent jurisdiction. This clause 11 shall survive termination of the Contract.

12. LIMITATION OF LIABILITY: THE CUSTOMER'S ATTENTION IS PARTICULARLY DRAWN TO THIS CLAUSE

12.1 Nothing in these Conditions shall limit or exclude Blackheath's liability for: 12.1.1 death or personal injury caused by its negligence, or the

negligence of its employees, agents or subcontractors;

12.1.2 fraud or fraudulent misrepresentation.

12.2 Subject to clause 12.1:

12.2.1 Blackheath shall under no circumstances whatever be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with the Contract; and 12.2.2 Blackheath's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the price paid for the Goods and/or Design Services.

12.3 For the avoidance of doubt, if the Customer limits its own liability to its own customers in respect of the Goods and/or Services to a level lower than Blackheath's liability has been limited in these Conditions, Blackheath shall only be liable to the Customer to the lesser amount the Customer has limited its own liability to.

12.4 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 and the terms implied by sections 3 to 5 of the Supply of Goods and Design Services Act 1982 are, to the fullest extent permitted by law, excluded from the Contract.

12.5 This clause 12 shall survive termination of the Contract.

13. TERMINATION

13.1 Without limiting its other rights or remedies, each party may terminate the Contract with immediate effect by giving written notice to the other party if:

13.1.1 the other party suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or (being a company or limited liability partnership) is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or (being an individual) is deemed either unable to pay its debts or as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the Insolvency Act 1986 or (being a partnership) has any partner to whom any of the foregoing apply;

13.1.2 the other party commences negotiations with all or any class of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with its creditors other than (where a company) for the sole purpose of a scheme for a solvent amalgamation of that other party with one or more other companies or the solvent reconstruction of that other party;

13.1.3 a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of the other party (being a company) other than for the sole purpose of a scheme for a solvent amalgamation of the other party with one or more other companies or the solvent reconstruction of that other party;

13.1.4 the other party (being an individual) is the subject of a bankruptcy petition or order;

13.1.5 a creditor or encumbrancer of the other party attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of its assets and such attachment or process is not discharged within 14 days;

13.1.6 an application is made to court, or an order is made, for the appointment of an administrator or if a notice of intention to appoint an administrator is given or if an administrator is appointed over the other party (being a company);

13.1.7 the holder of a qualifying charge over the assets of the other party (being a company) has become entitled to appoint or has appointed an administrative receiver;

13.1.8 a person becomes entitled to appoint a receiver over the assets of the other party or a receiver is appointed over the assets of the other party;

13.1.9 any event occurs, or proceeding is taken, with respect to the other party in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in clause 13.1.1 to clause 13.1.8 (inclusive);

13.1.10 the other party suspends, threatens to suspend, ceases or threatens to cease to carry on, all or substantially the whole of its business;

13.1.11 the other party's financial position deteriorates to such an extent that in Blackheath's opinion the Customer's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy; or

13.1.12 the other party (being an individual) dies or, by reason of illness or incapacity (whether mental or physical), is incapable of managing his own affairs or becomes a patient under any mental health legislation.

13.2 Without limiting its other rights or remedies, Blackheath may terminate the Contract with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under this Contract on the due date for payment.

13.3 Without limiting its other rights or remedies, Blackheath may suspend the supply of Design Services or all further deliveries of Goods under the Contract or any other contract between the Customer and Blackheath if the Customer fails to pay any amount due under this Contract on the due date for payment, the Customer becomes subject to any of the events listed in clause 13.1.1 to clause 13.1.11, or Blackheath reasonably believes that the Customer is about to become subject to any of them.

13.4 On termination of the Contract for any reason:

13.4.1 the Customer shall immediately pay to Blackheath all of Blackheath's outstanding unpaid invoices and interest and, in respect of Design Services supplied but for which no invoice has yet been submitted, Blackheath shall submit an invoice, which shall be payable

by the Customer immediately on receipt;

13.4.2 the accrued rights and remedies of the parties as at termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and

13.4.3 clauses which expressly or by implication have effect after termination shall continue in full force and effect.

14. FORCE MAJEURE

14.1 For the purposes of this Contract, "Force Majeure Event" means an event beyond the reasonable control of Blackheath including but not limited to strikes, lock-outs or other industrial disputes (whether involving the workforce of Blackheath or any other party), failure of a utility service or transport network, act of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or subcontractors.

14.2 Blackheath shall not be liable to the Customer as a result of any delay or failure to perform its obligations under this Contract as a result of a Force Majeure Event.

14.3 If the Force Majeure Event prevents Blackheath from providing any of the Design Services and/or Goods for more than 4 weeks, Blackheath shall, without limiting its other rights or remedies, have the right to terminate this Contract immediately by giving written notice to the Customer.

15. GENERAL

15.1 Assignment and other dealings.

15.1.1 Blackheath may at any time assign, transfer, mortgage, charge, subcontract or deal in any other manner with all or any of its rights under the Contract and may subcontract or delegate in any manner any or all of its obligations under the Contract to any third party.

15.1.2 The Customer shall not, without the prior written consent of Blackheath, assign, transfer, charge, subcontract, declare a trust over or deal in any other manner with all or any of its rights or obligations under the Contract.

15.2 Notices.

15.2.1 Any notice or other communication given to a party under or in connection with this Contract shall be in writing, addressed to that party at its registered office (if it is a company) or its principal place of business (in any other case) or such other address as that party may have specified to the other party in writing in accordance with this clause, and shall be delivered personally or sent by prepaid first-class post or other next working day delivery service, or by commercial courier, fax or e-mail.

15.2.2 A notice or other communication shall be deemed to have been received: if delivered personally, when left at the address referred to in clause 15.2.1; if sent by pre-paid first class post or other next working day delivery service, at 9.00 am on the second Business Day after posting; if delivered by commercial courier, on the date and at the time that the courier's delivery receipt is signed; or, if sent by fax or e-mail, one Business Day after transmission.

15.2.3 The provisions of this clause shall not apply to the service of any proceedings or other documents in any legal action

15.3 Severance.

15.3.1 If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.

15.3.2 If any provision or part-provision of this Contract is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

15.4 **Waiver.** A waiver of any right under the Contract or law is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor prevent or restrict its further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

15.5 **No partnership or agency.** Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, nor constitute either party the agent of another party for any purpose. Neither party shall have authority to act as agent for, or to bind, the other party in any way.

15.6 **Third parties.** A person who is not a party to the Contract shall not have any rights to enforce its terms.

15.7 **Variation.** Except as set out in these Conditions, no variation of the Contract, including the introduction of any additional terms and conditions shall be effective unless it is agreed in writing and signed by Blackheath. For the avoidance of doubt, any variation to a term of the Contract shall not affect the remaining terms of these Conditions.

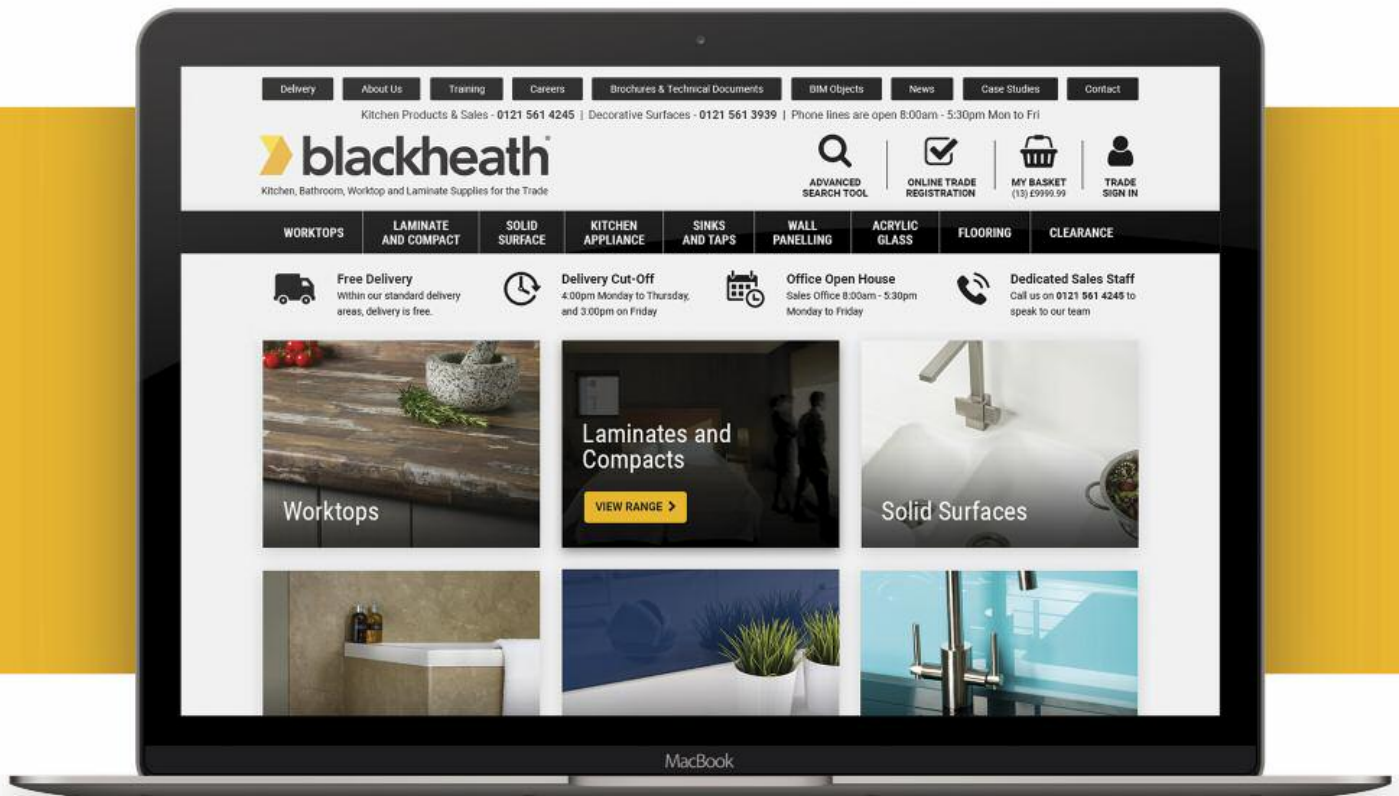

15.8 **Governing law.** This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

15.9 **Jurisdiction.** Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this Contract or its subject matter or formation (including non-contractual disputes or claims).

Blackheath Online

blackheathproducts.co.uk

To create your online account, simply click **Online Trade Registration** on our home page and follow the on screen instructions.

1000's of Products Online

We feature our entire product offering online.
