Simplicity redefined in 25 mm and 38 mm

Discover the EGGER Worktops Collection 24+, a carefully curated range of high quality and durable worktops. With a wide selection of finishes available, including walnut, oak, concrete, and marble, there is a finish to suit every interior. Application areas including kitchens, bathrooms, offices and retail spaces.

Featuring decors and textures that closely resemble solid wood and stone, these laminate worktops offer the added advantages of durability, hygiene, and effortless maintenance. Experience the beauty of natural materials without compromising on practicality. Complete the overall design using matching splashbacks, upstands, and edging, ensuring a co-ordinated finish.

The popular and versatile 38 mm postformed range, features a selection of 23 decors that display an impressive authenticity in the woodgrain and material decors. Additionally, three of these decors can be found in the elegant 25 mm square edged worktops.

For a touch of sophistication, we offer four Feelwood oak decors in 38 mm square edged profile, as well as twelve material reproductions in 25 mm square edged.

Worktop Accessories

EGGER offers a range of essential accessories and fitting instructions for a complete kitchen.

Splashbacks

A stylish alternative to tiling, the easy to fit EGGER splashback requires no grouting and is simple to look after and maintain. Perfect for those who want minimal hassle and upkeep. Available to order in all decors.

Dimensions:
4100 mm × 640 mm × 8 mm

Upstands

(Square Edged, edged on all four sides)

Often used as a contemporary alternative or stylish accompaniment to tiling, EGGER upstands provide additional protection from water ingress to the back edge of worktops. Available to order in all decors.

Dimensions:
4100 mm × 120 mm × 18 mm

Matching edging for that finishing touch, because details matter

Matching 1.5 mm ABS edging is available for all worktops:

- 25 mm Square Edged Worktops: 30 mm × 1.5 mm × 25 m roll
- 38 mm Postformed and Square Edged Worktops: 43 mm × 1.5 mm × 25 m roll

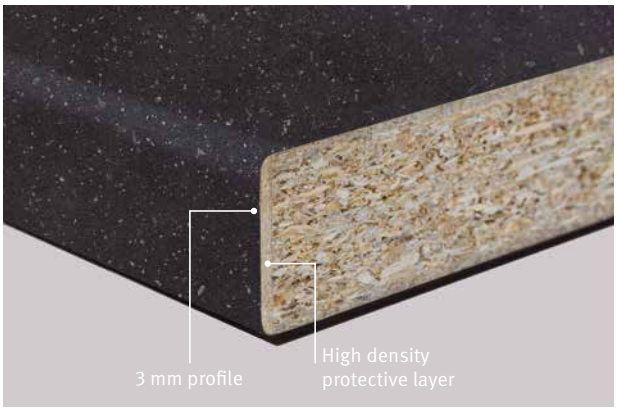

ABS Endgrain edging is also available for 38 mm Feelwood Square Edged Worktops: 43 mm × 1.5 mm × 25 m roll.

Profile Edges

Matching 1.5 mm thick ABS edging which gives a slimmer, sleeker edge than the usual 2 mm, whilst retaining the required durability.

Our **square edged worktops** offer a stylishly sleek profile with clean lines that mirror the look of granite and stone, as well as wood.

Our **postformed worktops** have a unique, advanced, high density protective layer underneath the laminate edge that makes the edge of the worktop more resistant to impact and stops any show-through of the chipboard core.

EGGERSeal waterproof sealant and adhesive

- Not just for jointing, but can also be used to fix splashbacks/upstands
- Colour matched to the worktop, splashback and upstand to give a seamless and waterproof finish and used as a sealant bead between panel and worktop
- Toughened polymer technology

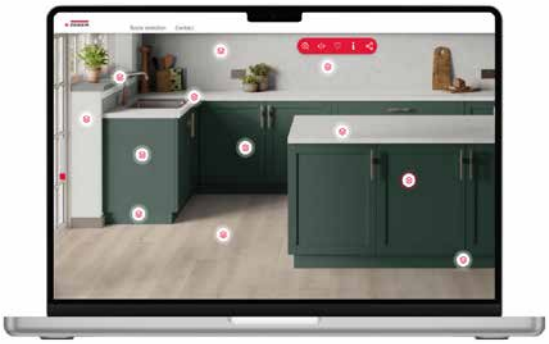

All decors shown and mentioned are reproductions.
