

Les Élégants Albatre Harmony

Les Élégants Nude Harmony

Healthy and sustainable interior, for high-traffic areas.

Our range combines design with technical performance, perfect for high-traffic areas like hotels, shops, and restaurants. Ultimtec technology ensures optimal resistance to scratches, wear, and impacts. Water-based, solvent-free colours protect indoor air quality.

Carefree living & ultra-resistant.

An ultra-natural wood finish preserved by Ultimtec – a high-performance varnish with the beauty of an oiled floor. This parquet is naturally resistant, easy to maintain, and comes with a 15-year warranty. Sandable for a second life, it's designed to stay flawless.

Splash resistant : lasting cleanliness, without compromise, even in the kitchen.

The resistance of Ultimtec varnish, combined with reinforced protection of pores and bevels, limits soiling and simplifies daily maintenance.

PEFC certified parquet & sustainable forest management.

Our wood comes from sustainably managed forests that respect biodiversity, resource renewal, and environmental balance. The life cycle of our parquet follows a sustainable approach without compromising on aesthetics.

parquet.

Parquet made for generations.

Built on tradition, designed to inspire.
Each plank tells its story, crafted from responsibly sourced wood from sustainable forests and engineered for lasting beauty and strength. Born from a country with centuries of culture, art, and design, where the smallest details are the height of excellence.

Made in France, made for life.
Tradition meets innovation in this exceptional oak floor, making parquet the foundation of your interior story. By choosing French parquet, you support a local industry and heritage that respects wood and the forests it comes from.

Where sustainability meets style.
From an old country manor to a modern apartment, parquet adds value to any interior. Choosing wood means embracing aesthetics and sustainability, bringing natural beauty and character. Our parquet creates a warm, healthy home with better air quality. Imagine French parquet as your signature style: authentic, durable, and timeless.
