Döllken Orders

To make it even easier to find and order matching Döllken ABS edging, we've produced this handy reference guide which shows you the best match to your Polyrey laminate design.

- Simply search the list of Polyrey design codes and descriptions until you find yours.
- Check that the design shown represents the design required.
- Place your order over the phone on **0121 561 3939**, email to **panels@blackheathproducts.co.uk** or fax us your order for free on **0800 634 0114**

Using the Blackheath Products delivery schedule it's possible to obtain a next day delivery.

To find out more call us on **0121 561 3939** or log onto **www.blackheathproducts.co.uk** for up to date information.

Samples

Small sample pieces are available from us by calling our Sales Office with your request. The samples you request will be despatched directly to you from Blackheath Products.

Döllken edging provides the perfect finishing touch and lasting protection against impact damage by sealing each panel edge. Manufactured from ABS, Döllken's products are also kind to the environment.
