# Product grades, finishes and accreditations.

This Collection incorporates the following grades of decorative laminate each with its own performance characteristics.  
These grades conform to EN438.

## Formica® Laminate

**Sheets (thin) consisting of layers of wood-based fibers impregnated with thermosetting resins and a surface décor on one side**

**Grade:** HPL/EN 438-3 HGP: Horizontal, General Purpose, Postforming high pressure decorative laminate  
HPL/EN 438-3 HGS: Horizontal, General Purpose, Standard high pressure decorative laminate

**Thickness:** 0.7 mm (nominal), single sided

**Additional flame retardant grades are available on request (please check for available options)**

## Formica® Compact

**Sheets (thick) consisting of layers of wood-based fibers impregnated with thermosetting resins and surface décor on one or both sides**

**Grade:** HPL/EN 438-4 CGS: Compact, General Purpose, Standard high pressure decorative laminate

**Thickness:** Single sided 2, 2.5, 3 mm / Double sided 4, 6, 8, 10, 12, 13, 16, 18, 20 mm

**Additional flame retardant grades are available on request (please check for available options)**

Product data sheets, including applicable fire rating, can be accessed on [formica.info](http://formica.info)

### Available surface finishes and recommended applications

Surface Finish Description	Surface Finish Designation	Code	Recommended applications	
			Horizontal (& Vertical), General purpose	Vertical and Light-duty horizontal
Linewood	LNW	LW	•	
Matte 58	MAT	58	•	
Naturelle	NAT	NT		•
Puregrain	PGN	35	•	

#### General

The information given in this brochure is correct at the time of publication. However, as we have a policy of constant product development and improvement, product specifications may change in the future. We recommend visiting [formica.com](http://formica.com) as the most up-to-date source of information. Not all certifications stated are applicable or available for all Formica® products. Please check that the product you require is covered by a relevant certification or is suitable for your specific application, in advance of order placement.

#### Light Reflectance Value

Light Reflectance Value (LRV) is a value indicating the proportion of light reflected by a colour, when measured under standard daylight conditions. This guidance uses a scale of 0-100, where 0 = black and therefore total light absorption, whereas white = 100 and therefore total light reflection. The main purpose of this value is to indicate measured colour contrast between two surfaces, which need to be readily distinguishable within an environment (under static conditions, a difference of 30 units between two colours is considered adequate). LRVs stated may or may not be exact and are provided for guidance only.

#### Please note

For non-solid colour decors, where there are multiple colours across the design, the stated LRV is an average value taken from multiple measurements across the décor and must be used with caution. The individual colours in a pattern, woodgrain or stone design can differ more than 30 LRV units within the design itself.

## Disclaimer General

The information provided by Formica Group ("Formica") in this document is solely indicative. The information given in this brochure is correct at the time of publication. However, as we have a policy of constant product development and improvement, product specifications may change in the future. Visit [www.formica.com](http://www.formica.com) as the most up-to-date source of information. Formica does not warrant that the information in this document is suitable for your specific purpose. Colour system notations represent the closest match available in the particular system. They may or may not be exact and are provided for guidance only. When exact colour information is required, please always refer to an actual laminate sample in the specified finish.

## Liability

Formica is not liable (neither contractual nor non-contractual) for any damage arising from or related to the use of this document, except if and to the extent that such damage is the result of willful misconduct or gross negligence on the part of Formica and/or its management. The limitation of liability applies to all parties affiliated with Formica, including but not limited to its officers, directors, employees, affiliated enterprises, suppliers, distributors, agents, and representatives.

## General Conditions

All sales of Formica® brand products are governed by the Formica General Terms and Conditions of Sale in effect at the time of sale and contained in every order acknowledgement and are available upon request.

## Intellectual Property
