DOOR TO DOOR DELIVERY
≡ *Express* ≡

FORMICA® Door Collection *Express* ensures rapid delivery of the most popular decors, textures and optimum size for door manufacture, through having stock on the ground, in the UK, ready to ship.

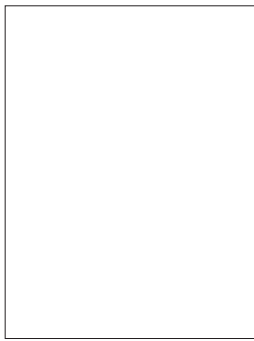

- **40 decors** incorporating 25 of the most popular on trend colours and 15 enticing woods covering a range of species and colours that are drawn from the full **FORMICA® Door Collection**.
- **The optimum size of 2150 x 950 mm** to cover the most popular door requirements with minimum wastage and processing.
- **Enriching surface finishes**, including **Naturelle™**, **Linewood™**, and **Puregrain™** which have been matched with a small selection of wood grains to give the touch of natural timber.
- **Express lead-times**; through significant stock holding of the **Express** items in our UK production and distribution facilities. You will benefit from having swift delivery to meet your immediate deadlines when it matters.

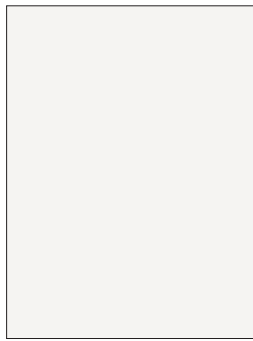

Formica® High Pressure Laminate offers a practical solution for interior doors. Its inherent properties make it ideal for functional, high-traffic applications that ensures they maintain their quality and beauty over time.

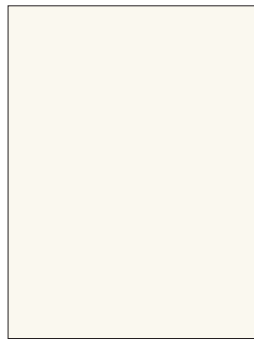

-  Chemical resistant
-  Flat bonding
-  Hygienic
-  Impact resistant
-  Scratch resistant
-  Water resistant
-  Stain resistant

Formica® Laminate

THE ORIGINAL HIGH PRESSURE LAMINATE by FORMICA GROUP

Formica® High Pressure Laminate (HPL) is manufactured through fusing multiple layers of impregnated paper under high pressure and temperature to create a hard wearing, durable and hygienic surfacing material. The Formica® Colors, Patterns and Woods ranges are high pressure laminates which are available in horizontal, general purpose, standard grade (HGS).

Surface Finish & Grade Matrix

Surface Finish Description	Surface Finish Designation	Surface Finish Code	Grade*	Grade Code
Matte 58™	MAT	58	HGS	01
Linewood™ NEW	LNW	LW	HGS	01

Premium Finish Description	Surface Finish Designation	Surface Finish Code	Grade*	Grade Code
Naturelle™	NAT	NT	HGS	01
Puregrain™ NEW	PGN	35	HGS	01

For **Premium Finish pricing information**: consult with your distributor.

*Grade	Grade Description	Nominal thickness (mm)
HGS	Horizontal, General purpose, Standard	0.7
