

Formica®

Doors Collection

● F1548 Mocha Cedar

● F2253 Diamond Black

Where style meets durability.

Our Formica® Doors Collection features 188 laminates in a selection of eye-catching colours, nature inspired woodgrain and perfect patterns.

Product grades, finishes and accreditations.

This Collection incorporates the following grades of decorative laminate each with its own performance characteristics.
These grades conform to EN438:2016

Formica® Laminate

Sheets (thin) consisting of layers of wood-based fibers impregnated with thermosetting resins and a surface decor on one side

Grade: **HPL/EN 438-3 HGP:** Horizontal, General Purpose, Postforming high pressure decorative laminate
HPL/EN 438-3 HGS: Horizontal, General Purpose, Standard high pressure decorative laminate

Thickness: 0.7mm (nominal), single sided

Additional flame retardant grades are available on request (please check for available options)

Formica® Compact

Sheets (thick) consisting of layers of wood-based fibers impregnated with thermosetting resins and surface decor on one side

Grade: **HPL/EN 438-4 CGS:** Compact, General Purpose, Standard high pressure decorative laminate

Thickness: Single sided 2, 2.5, 3 mm

Additional flame retardant grades are available on request (please check for available options)

Formica® Magnetic Laminate

Magnetic and writable laminates.

Grade: **MLB:** Magnetic Laminate Standard

Thickness: 1.0mm (nominal), single sided

MLB grade classification does not appear in the EN 438 grade classification system

Magnetic laminates have special properties, please refer to the Formica® Products fabrication advice guide

Available surface finishes and recommended applications

Surface Finish Description	Surface Finish Designation	Code	Recommended applications	
			Horizontal (& Vertical), General purpose	Vertical and Light-duty horizontal
Linewood	LNW	LW	•	
Magnetic Gloss	MGL	MG		•
Magnetic Matt	MNL	MN		•
Matte 58	MAT	58	•	
Naturelle	NAT	NT		•
Puregrain	PGN	35	•	

General

The information given in this brochure is correct at the time of publication. However, as we have a policy of constant product development and improvement, product specifications may change in the future. We recommend visiting formica.com as the most up-to-date source of information.

Not all certifications stated are applicable or available for all Formica® products. Please check that the product you require is covered by a relevant certification or is suitable for your specific application, in advance of order placement. Formica Group is FSC® certified and complies with the requirements of FSC. Network of participating European Formica Group sites is shown on certificate number TT-COC 003588.

Colour system notations

NCS® and RAL Classic notations represent the closest match available in the particular system. They may or may not be exact and are provided for guidance only. NCS and RAL Classic notations provided have been established from a standard matt laminate sample. Please note that different surface finishes (texture structure and gloss levels) can have an effect on colour perception. When exact colour information is required, or for cross-material matching (HPL to other materials), please always refer to an actual laminate sample in the specified finish.

Light Reflectance Value

Light Reflectance Value (LRV) is a value indicating the proportion of light reflected by a colour, when measured under standard daylight conditions. This guidance uses a scale of 0 -100, where 0 = black and therefore total light absorption, whereas white = 100 and therefore total light reflection. The main purpose of this value is to indicate measured colour contrast between two surfaces, which need to be readily distinguishable within an environment (under static conditions, a difference of 30 units between two colours is considered adequate). LRVs stated may or may not be exact and are provided for guidance only.

Please note

For non-solid colour decors, where there are multiple colours across the design, the stated LRV is an average value taken from multiple measurements across the décor and must be used with caution. The individual colours in a pattern, woodgrain or stone design can differ more than 30 LRV units within the design itself.

The first and original

Formica Group invented high pressure laminates in 1913. Pioneers by definition, our iconic Formica® brand represents the quintessence of laminates.

Inspired by life

Laminates entered people's daily lives and made modernity dreams come true and accessible. Similarly, the demand for multifunctional, practical and durable designed surfaces is a constant inspiration for our Formica® Collections. At rest, at leisure, at work.

Evolving with the times

The way people live, work and play continuously changes. Formica Group keep pace with these evolving times through constant innovation, reflecting global trends and responding to ever changing needs and habits. The true original, still surfacing the world.

Disclaimer

General

The information provided by Formica Group ("Formica") in this document is solely indicative. The information given in this brochure is correct at the time of publication. However, as we have a policy of constant product development and improvement, product specifications may change in the future. Visit www.formica.com as the most up-to-date source of information. Formica does not warrant that the information in this document is suitable for your specific purpose. Colour system notations represent the closest match available in the particular system. They may or may not be exact and are provided for guidance only. When exact colour information is required, please always refer to an actual laminate sample in the specified finish.

Liability

Formica is not liable (neither contractual nor non-contractual) for any damage arising from or related to the use of this document, except if and to the extent that such damage is the result of willful misconduct or gross negligence on the part of Formica and/or its management. The limitation of liability applies to all parties affiliated with Formica, including but not limited to its officers, directors, employees, affiliated enterprises, suppliers, distributors, agents, and representatives.

General Conditions

All sales of Formica® brand products are governed by the Formica General Terms and Conditions of Sale in effect at the time of sale and contained in every order acknowledgement and are available upon request.

Intellectual Property

All intellectual property rights and other rights regarding the content of this document (including logos, marks, text and photographs) are owned by Formica Group and/or its licensors.
